## Saturday Afternoon Farm Stand

Eat Good in the Neighborhood

June 19 – October 2

Noon to 3pm

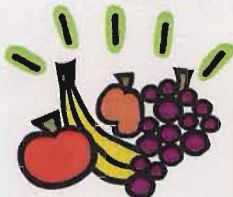

SW Corner of Mt. Eliot and Heidelberg

The McDougall Hunt Citizens District Council, the Heidelberg Project, Eastern Market, and Food of Our Dreams join forces to host a Saturday Afternoon Farm Stand featuring the great produce from the wholesale growers at Eastern Market.

Most people know about the Saturday Market at Eastern Market but through the week, when most of us are sleeping, farmers from the region meet up at Eastern Market to sell to grocers and restaurants.

Now on Saturday afternoons you can get great food at good prices close to home.

Cash, credit, debit, and Bridge Card payment accepted.
